## European Identity & Cloud Awards 2019 – Application

Thank you very much for your interest in the European Identity & Cloud Awards 2019. Please hand in a brief description explaining the project and why it, from your point of view, qualifies for the award. The project either must have been finalized between April 1, 2018 and March 31, 2019 or must have significantly been expanded within this period.

Please fill out the following application form. To submit your nomination or if you have any questions please contact Ms. Lauren Zuber (lz@kuppingercole.com).

The application deadline is March 31, 2019.

Kindly give us some time to review your proposal. We will get back to you as soon as possible.

The following key questions should help you describe the project:

| 1. | Please choose the category that you would like to apply for: |
|---|---|
| | Best AI in Security & Identity Project |
| | Best Enterprise IAM Project |
| | Best Consumer Identity Project |
| | Best IoT/OT Security Project |
| | Best Cybersecurity Project |
| | Best CyberRisk Mitigation Project |
| | Best Future Technology/Standard Project |

**2. Describe the project, including the launch date and the implemented technical specifications.**

**3. Which region(s) and vertical segment(s) does the project contribute to?**

**4. Describe the ROI of the project.**

**5. What are the key Identity Management/IoT/Security/… (depending on the category) objectives of the project?**

**6. Does the project exceed the key objectives?**

**7. Which technologies are used and how important is product interoperability to realize the project's objectives?**

| |
|---|
| |

**8. How many users, devices, or transactions does the project support?**

| |
|---|
| |

**9. Does the project touch customers/consumers/citizens and if so, what are their benefit(s)?**

| |
|---|
| |

**10. Does the project successfully address one or more of the following identity issues? If so, please provide brief examples.**

  **a. Prevent/reduce identity theft:**

| |
|---|
| |

  **b. Ease of use issues:**

| |
|---|
| |

  **c. Meet regulatory requirements:**

| |
|---|
| |

  **d. Meet unique vertical market objectives:**

| |
|---|
| |

  **e. Others:**

| |
|---|
| |

**11. Why should the project win the European Identity &Cloud Award 2019?**

| |
|---|
| |
